Sibshops is a nationally acclaimed program. Our Sibshops provide peer support as well as support from professionals and volunteers from the Cincinnati Children's. Each session is a carefully designed "event" which celebrates the many contributions made by brothers and sisters of kids with special needs. Sibshops acknowledges that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many somewhere in between. Sibshops reflects a belief that brothers and sisters have much to offer one another...if they are given a chance.

The Perlman Center is pleased to partner with Child Life of CCHMC and the Division of Developmental and Behavioral Pediatrics to bring Sibshops to the Greater Cincinnati area.
