

DDBP Presents: Ask a Psychologist

Developmental and Behavioral Psychology

Division of Developmental and Behavioral Pediatrics (DDBP)
Cincinnati Children's Hospital Medical Center

Developmental and Behavioral Psychology specializes in:

- Supporting individuals with developmental disabilities and their families
- Services are available for children and adolescents up to age 18

Ask a Psychologist: New and existing patients can now schedule a 45-minute virtual consult appointment with the next available DBP Psychologist. Patients must be Ohio, Kentucky, or Indiana residents.

Telehealth consults use video and audio and are accessible on any smartphone, computer, or tablet.

We are here for you to address common concerns during COVID-19, including:

- Temper tantrums or behavioral problems
- Increased anxiety
- Sleep difficulties
- Toileting concerns
- Mealtime behaviors
- Noncompliance at home
- Improving coping skills

To schedule, call 513-636-8107 to speak to the Scheduling Team. Consult requests will be scheduled within 48 business hours.

Insurance pre-authorization will not be available prior to your appointment. Please consult your insurance company if you have questions regarding psychology billing coverage. Unfortunately, we are unable to accept Indiana and Kentucky Medicaid at this time.

Want to communicate with your current DDBP provider? To set up a **MyChart** account for your child, please go to <https://mychart.cincinnatichildrens.org/mychart/>. For assistance, contact the Family Resource Center (513-636-7606).

Please note, "Ask a Psychologist" is a not a crisis hotline. If your child is in crisis or there are concerns for safety, please call the Psychiatric Intake Response Center at 513-636-4124 for further guidance.

Developmental Disabilities may include:

Autism Spectrum Disorder
Down Syndrome
Intellectual Disability
Rubinstein-Taybi Syndrome
Spina Bifida
Cerebral Palsy
Global Developmental Delay
Speech Disorder
