

Act Early ECHO

Act Early ECHO provides information and resources about current and emerging knowledge and evidence-based promising practices about the four phases of early identification: family-engaged developmental monitoring, developmental screening, referrals for needed supports and services, and receipt of needed services.

This eight session series is targeted to reach early childhood professionals in Ohio, Wyoming, and Virginia to encourage cross-state collaborations and resource sharing.

Sessions begin
Friday, March 12

Fridays, bi-weekly
1:00pm - 2:30pm MT

Join online at
