SUPPORTING CHILDREN OF THE OPIOID EPIDEMIC

Buckeye SCOPE 2021 ECHO Series

The 2021 Buckeye SCOPE: Supporting Children of the Opioid Epidemic ECHO is a **10 session online training series** developed to educate those who work with young children impacted by the opioid epidemic and their caregivers on emerging knowledge and evidence-based practices in screening, monitoring and interdisciplinary care for children impacted by neonatal abstinence syndrome (NAS), trauma, or related exposure.

**Please note that registration is capped at 100 registrants and participants should plan to attend all 10 sessions*
