

# Information About Me

I am: Shelby

**My condition is:** Cerebral palsy

**This means:** I have a reduced range of motion, may have difficulty walking, and I also have epilepsy.

**I communicate best:**

I use a voice synthesizer and also ASL. Please make sure I have someone in the room that I can sign to.

**Who and what is important to me:**

Please make sure I have the following within reach:

- my cell phone
- headphones
- TV remote
- a book or my kindle
- water or juice

**How I cope with medical procedures:**

Please inform me of what you will be doing before you do it. Have someone I can sign to in the room.

**Important to know:**

I will require an elevator if going up or down stairs is necessary.

**What I like to do to keep me busy:**

I enjoy reading fiction novels and talking to family members via Facetime.
