

Ohio Family to Family

Supporting Ohio Families

We support families of children with special health care needs and disabilities. As family members, we understand the challenges you face and can help guide you through Ohio's systems.

How We Support You:

- Offer free, confidential, one-on-one assistance
- Help in understanding and applying for state and local programs
- Guidance on finding helpful resources
- Improve communication and advocacy skills
- Connect to supportive, understanding peers
- Assist with educational needs
- Training on health care, disability services, transitioning to adulthood, insurance, and more

Our Mission:

- Empower you with the tools to succeed
- Get the best health care and community resources
- Help you work better with your child's teams
- Support you to not only survive but thrive
